LCD Screen Replacement

\$159.99 +

\$179.00 +

Parts & labor to replace a LCD Panel on an average 15.6 inch notebook. Exact pricing varies based on model and availability of parts. Typical installation for most laptops is the cost of parts + one hour labor

DC Jack Replacement

\$100.00 - \$150.00

\$124.99 - \$169.99

Parts & labor to replace a broken DC Jack on an average 15.6 inch notebook. Exact pricing varies based on model and difficulty of installation. Typical installation is \$100.00 plus parts.

All prices listed are subject to change without notice. Prices listed are only an ESTIMATED based on average service costs. Each computer is unique, and may require more/less labor than others, therefore varying the final labor charges. Lakeshore Computers cannot guarantee data quality/integrity. It is recommended that the customer backup any important data before bringing in the system for service work. Prices quoted for Milwaukee PC stores are based on their advertised prices online - 3/23/2013
